

COVID-19 UPDATE NO. 27

Thursday, 31 December 2020

Dear Members,

Once again, we regret to advise you that another member of our Administration Office has tested positive with COVID-19 (C12s). This staff member has not been at the Club since 23 December 2020.

151 frontline, operational, and administration staff were all tested yesterday Wednesday, 30 December 2020. We are currently waiting on the test results.

Please note that the Administration Office is closed and staff are under quarantine and working from home. The office will reopen on 8 January 2021. During this period, the main administration office area will be deep cleaned and sanitized.

We are doing contact tracing at the club on this staff member's movements and will update members when the information is available.

The Ministry of Health (MOH) has been contacted regarding C12s and all precautionary and preventive measures are being followed.

We will continue to keep members updated as we receive news and implore that everyone follows all the safety guidelines relating to your safety against the COVID-19 virus. Please stay safe and take care.

The Management
