

COVID-19 UPDATE NO. 28

Saturday, 02 January 2021

Dear Members,

Regretfully, out of all the staff tested for COVID-19 on Wednesday, 30 December 2020, 3 members of the Administration staff have tested positive. They have been reported to the Ministry of Health (MOH) for the necessary precautionary measures and action. We are currently carrying out contact tracing at the club on the movements of the infected staff members for the MOH.

All 3 members of staff C12s, C13s & C14s have not been at the Club since 29 December 2020, and all have been under strict quarantine since the Administration Office closed on 30 December 2020.

On Wednesday, 6 January 2021, all 156 staff who tested negative will be retested before the Administration Office reopens, under strict SOP guidelines, on 8 January 2021. In the meantime, the main administration office has been deep cleaned, disinfected, and sanitized.

As always, we will keep you updated as we receive news and information. We ask all members visiting the club to follow all safety guidelines relating to you and your family's safety against the COVID-19 virus. Please stay safe and take care.

The Management
