

# COVID-19 UPDATE NO. 6

Friday, 30 October 2020

Dear Members,

Pursuant to this morning's notice, and for further Members' information officials from the Ministry of Health came and inspected the Club, and having done so are satisfied that we have done and complied with all the SOPs. While they do not recommend to close the Club, they, however, advised us to keep the Club closed until the results of the 410 people that we have sent for COVID-19 tests today are available. These results are expected to be out either on Monday 2<sup>nd</sup> or Tuesday 3<sup>rd</sup> November 2020.

We will keep all members informed on any further developments, until then please Stay Safe.
